MEETINGS FIRST AND THIRD TUESDAYS, 8 P. M.

October 15, 1944

A special meeting of the Mayor and Common Council was held at 6802 C Street with Councilman Fominaya, Roberts and Cleary present. The meeting was called by Mayor Van Moreland at noon for the purpose of computing all costs on the construction of curbs, sidewalks, gutters, walls, grading, excavating and other items incidental to the work done on Addison Road, Field Street, F Street and Roosevelt Avenue.

After careful consideration the council calculated that it would cost \$2.25 per foot for abutting property where the sidewalk alone was constructed and \$4.25 per foot where the abutting property received sidewalks, curbs and gutters. These figures were adopted on the motion of Councilman Cleary and seconded by Councilman Fominaya and carried. T

The property owners were ordered notified to appear before the Council at 8 p.m. on Nov. 14 at the Seat Pleasant Fire House if they had any protests.

The meeting adjourned at 2:30.

J. Theodore Crown, Clerk.
